Choosing a wedding photographer is an important part of the planning process. With over thirty years of experience, you can be assured that we will help you preserve memories that will last a lifetime. The following packages are offered. If none of the below seem to fit what you had in mind, let us know, we will work together to customize something special for you.

Each of the following packages includes:

- All of your photos burned onto an archival quality CD or DVD ROM.
- Files are saved in JPEG format with minimal compression.
- Photo quality indexes in a portfolio book.

Ceremony Only Package

Coverage is of the Wedding ceremony only. Pictures are taken at one location and will include formal poses of the wedding party and bride and groom.

Basic Digital Package

Coverage starts at the Wedding ceremony and continues through the first three hours of the reception. Includes formal portraits of the bride, groom, wedding party and candid photos at the reception.

Classic Digital Package

Coverage starts with the bride and her attendants preparing for the ceremony, the ceremony, formal portraits of the bride and groom and the first three hours of the reception are included in this package.

Deluxe Digital Package

Coverage includes two photographers taking formal and candid pictures at the pre-bridal site, wedding ceremony and reception. The ceremony, formal portraits of the bride and groom and the first three hours of the reception are included in this package.

This is your special day and we strive to capture as much as possible for you. If you have any special requests as far as formal shots or groupings please bring this to our attention. A list is helpful and welcome.

A fifty percent deposit is required when the contract is signed. The balance is due two weeks before the wedding. Travel outside of the south western New Hampshire area may incur additional charges.

Sincerely,
